

To: Dunbow Recreation District associations, clubs and residents,

The Dunbow Recreation Board (DRB) was established in 2009 to advise the M.D. of Foothills Council in pursuing and implementing recreation programs, facilities, parks and public open spaces within the Dunbow Recreation District. Since 2009 the DRB in concert with the community have completed three significant projects – the Scott Seaman Sports Rink, the Heritage Lake sports fields, and the Davisburg sports fields. These projects were driven by community feedback gathered in a 2008 needs assessment survey. Residents of our area contributed an amazing volunteer commitment plus donated capital to help complete these large projects and our entire area benefits from the effort. In addition to these major projects other smaller community enhancement projects have been facilitated and supported through the DRB.

The mandate established in 2009 for the DRB has not changed. If your community group has an idea for a recreation related endeavor that will benefit our area we want to hear from you. No idea is too big or too small but each must have clear goals and must clearly promote and benefit recreation and healthy lifestyles for area residents.

The process begins by completing the application form and submitting it to the DRB. Applications are to be submitted at least ten days prior to a DRB meeting for review.

## **2017 Application Deadlines:**

**May 8, 2017**

**September 11, 2017**

Sincerely,

Dunbow Recreation Board of Directors

Dunbow Recreation Board
